Kathy Muldoon, Director Emeritus at the Brush (June 2013 –June 2016) was instrumental in the Brush adopting the Community Teamwork program as reflected in the following quote from Karen Frederick.

"Community Teamwork is honored that the Brush Art Gallery and Studios will be hosting the Festival of Wreaths in memory of our dear friend Kathy Muldoon. Kathy started the event while working at Community Teamwork to benefit programs that provide services to homeless families. It was Kathy's request to pass the event on to the Brush, where we all thought it would grow and thrive with the connection with Arts. Human Services and the Arts were both close to Kathy's heart and it's wonderful to see the Festival of Wreaths continue to benefit a great organization!" --Karen N. Frederick, Chief Executive Officer, Community Teamwork
