The Brush Art Gallery and Studios is located in the Lowell National Historical Park across the courtyard from the Visitor Center. This dynamic and captivating place was originally founded by the Lowell Historic Preservation Commission, U.S. Department of the Interior. The Brush presents museum quality exhibitions, educational programs, and has collaborated with many other nonprofit groups. Artists occupy studio spaces where they interact with and educate the public on a weekly basis. Studio artists produce paintings, illustration, photography, jewelry, sculpture, ceramics, quilts, and hand crocheted items. Associate artists display work in the common area. The Brush Art Gallery and Studios is a nonprofit, 501(c)(3) organization. **The Brush is supported by the Lowell National Historical Park.**
